Coach Schradle

Athletes,

We feel at Drills For Skills that great basketball players are made in the off season through individual and small group drills that are intense, fun, and proven to improve individual skill. Every athlete that comes through our camp will be exposed to the best individual offensive drills out there. Drills that you can work on all summer long to improve your individual skills. We feel that athletes have a desire to get better but they lack the knowledge and direction that will help them achieve their goals. At a Drills For Skills camp you will gain both in a highly competitive and intense atmosphere.

Sincerely

Coach Schradle

CAMP DIRECTOR

Ryan Schradle

Coach Schradle brings 20 plus years of coaching experience to the court with him and has experienced success working for some of the top coaches in the state of WI. Coach Schradle most recently spent the last year as the lead assistant coach for the UW-River Falls Women's Basketball team. UW-River Falls won their last three games of the year knocking off a top 25 team in UW-Whitewater in the final game of the season. Before that he was the head girls basketball coach at New Richmond High School where he built a program from the ground up. Incorporating a K-12 program philosophy that focused on fundamentals and competing at a high level. Coach Schradle has also spent time at the college ranks. In the 07-08 season as the top assistant at UW-Superior he helped guide that program to a fifth place finish in the WIAC and an overtime conference semi-final loss to top seeded UW-Whitewater. That year UW-Superior knocked off two top twenty-five teams on it's way to their most successful season in fifteen years. Coach Schradle also spent four years at Rice Lake High School as an assistant varsity coach helping guide the Warriors to three Sectional Semi appearances.
